### **PROSPECTIVE/RETURNING SPONSOR**

The Lamar County Parks & Recreation Department provides year round programs designed to meet the leisure needs of the youth in our community. These programs help develop the character of the youth through the experience of participating in team sports. These experiences contribute to the concept of working together and the development of well-rounded citizens.

We want to give businesses, churches, and other civic groups the opportunity to help by sponsoring a local youth sports team. For your sponsorship, we assure you an excellent return on your investment. There can be no better investment in advertisement and visibility, than one that demonstrates support of the youth of our community.

Enclosed is a list of programs we offer for sponsorship and a commitment form. If you would like to sponsor a team for **FALL Season**, please return this form with a check or money order **no later than July 15<sup>th</sup> 2018. (This gives us time to get signs ordered and logos printed on jerseys.)**

If you have any questions or would like more information concerning sponsorship opportunities, please call me at 770-358-5800 and I will set up a meeting to discuss this personally.

Thank you so much for your consideration of this request.

Sincerely,

Buddy Lanier, Director
